

Improved up-grade prices in the JIB Optical Department mean lower costs for you and your family!

Purchasing your eyeglasses at the JIB Optical Department has always been a good deal, but it just got even better!

As you know, the Pension, Hospitalization and Benefit Plan of the Electrical Industry (“the Plan”) provides an annual examination, lenses for reading, distance or line-bifocals prescribed by the JIB optometrist, and frames from a selection of plastic and wire frames, **at no cost** to all eligible participants and their eligible family members.
