Dear Employer:

As you know, \$.66 cents per week has been deducted from your Local 3 employees' paychecks to fund the new Family Leave Benefit to comply with the New York State requirement. This benefit has been negotiated as part of the CBA with Local 3 and, as a result, the weekly deduction is allowed in lieu of a percentage of payroll. The amount of the deduction was initially based upon a cost estimate provided by the Electrical Employers Self Insurance Safety Plan's (EESISP's) actuary. Since this is a completely new benefit in New York, their projection was based on modeling of the cost of this benefit in other jurisdictions and other populations.

Because the actual rate of Paid Family Leave (PFL) benefit applications submitted to EESISP has exceeded the estimate, the deduction from your employees' paychecks will increase to \$1.65 per week to fund this benefit during 2018 beginning with the payroll reporting week of April 26, 2018 (week 18).

Please see the attached updated instructions. If you have questions about how to report the weekly contribution, please call the Joint Industry Board at (718) 591-2000, ext. 1308.

If you have any questions concerning the administration of the PFL, please call EESISP at 718-591-2800.

Sincerely,

Joint Industry Board of the
Electrical Industry

Attch.
