

COLLEGE ADVISORY DAY 2008

The Alumni Association of Scholarship Winners is sponsoring the 24th Annual College Advisory Day on Saturday, November 8, 2008, beginning at 10 A.M. at the Electric Industry Center Auditorium, 67-35 Parsons Boulevard, Flushing, New York. Members of the Alumni Association are past recipients of the Educational and Cultural Trust Fund Scholarships. This event offers counseling on choosing a college and insights into career selections through individual discussions with Alumni Association members with specialty in a variety of career fields. If college is a goal, this program will assist your child in making the right and informed career decisions. The program will also feature a panel of college representatives who will provide information on financial aid and admissions process.

If your child is thinking about going to college, or will be going to college – or even if it's only a dream – you and your child should be present at this event. It costs nothing and may well turn that dream into a reality. So, plan to be present at this event; it is a program your child should not miss! All students – grades Junior High through College are invited and encouraged to attend.
