

EDUCATIONAL AND CULTURAL TRUST FUND OF THE ELECTRICAL INDUSTRY

Critical Thinking Seminars

The 2010 Critical Thinking Weekend Seminars are scheduled to resume at the Long Island Educational Center. All expenses for the weekends will be funded by the Educational and Cultural Trust Fund. You and your eligible dependents will spend an enjoyable "family" time at the Long Island Educational Center free-of-charge. The seminars will continue through the Friday, December 3rd weekend. Space is limited and all applicants will be scheduled in date order of application.

If you are currently an active Local Union No. 3, I.B.E.W. member, an eligible participant in the Educational and Cultural Trust Fund, and have not in the past had an opportunity to attend a weekend seminar through an affiliated Local 3 organization, you may apply to attend the seminar.

Please complete and return the following application to the Educational and Cultural Trust Fund office. You should discover the Critical Thinking Seminar will be an informative and worthwhile experience. The seminars are conducted by representatives of S.U.N.Y. Empire State College. All members are expected to attend the day-long seminar held on Saturdays.

Please register me for the "Critical Thinking Seminar" held at the Long Island Educational Center. I have not previously had an opportunity to attend a Critical Thinking weekend seminar.
