July 2010

Dear Employer:

The Trustees of the Electrical Employers Self Insurance Safety Plan (EESISP) made a decision to increase the contribution rates for certain classification codes by **25%, effective week ending July 7, 2010, (week #27)**. As an example, the rate for electrical wiring will be increased from 4% to 5%. All other rate increases to classification codes will be reflected in the forms and invoices provided to you by the Joint Industry Board. This applies to contributing employers who report payroll electronically or manually.

If you have any questions about the new EESISP rates, please call the EESISP Department at: 718-591-2800, Ext. 1250.

Thank you for your cooperation in this matter.

Sincerely,
Joint Industry Board of
the Electrical Industry
