

College Letter Reminder

Is your child over age 19 and a full-time college student? If so, your medical and dental plans require that you submit an original letter from the college registrar confirming his or her registration for the current semester. The deadline for the spring semester letter is February 15, 2007. If you have not submitted a college letter by that date, your dependent child will not be eligible for benefits until you submit the college letter.

For participants covered by the Pension Hospitalization and Benefit Plan of the Electrical Industry and either the Dental Benefit Plan of the Electrical Industry or the Dental Benefit Plan of the Elevator Division, please submit your original college letter to:

The Joint Industry Board of the Electrical Industry
Members' Records Department
158-11 Harry Van Arsdale Jr. Avenue
Flushing, NY 11365

Full-time dependent children are covered up until age 25 under these plans if they are full-time college students.

For participants covered by the Employees Security Fund of the Electrical Products Industries Health and Welfare Plan, please submit your original college letter to:

The Employees Security Fund of the Electrical Products Industries
158-11 Harry Van Arsdale Jr. Avenue
Flushing, NY 11365

Full-time dependent children are covered up until age 23 under this plan if they are full-time college students.
