IMPORTANT NOTICE: TO ALL ESF RETIRED ELIGIBLE PARTICIPANTS

Enclosed please find the following:

 Summary of Benefits and Coverage for the ESF: The Patient Protection and Affordable Care Act ("PPACA") requires group health plans, such as the Employees Security Fund of the Electrical Products Industries Health and Welfare Plan ("ESF"), to furnish participants with a Summary of Benefits and Coverage or "SBC." The Summary of Benefits and Coverage is a 6-page summary of material provisions of a health plan in a uniform format.

This document summarizes the key features of the plan, such as covered benefits, cost-sharing provisions, and coverage limitations, coverage examples and exceptions and must conform to the PPACA's required language. Please note that while such terms as "premiums," "co-insurance" and "deductibles" are required, they do not apply to your plan.

For a more complete explanation of your plan's rules, covered benefits, costsharing provisions and exclusions, please refer to your Summary Plan Description, a copy of which can be found at <u>www.jibei.org</u>.

You or your health care provider may call the MagnaCare ESF dedicated line at 1-800-352-6465 with any questions or concerns.

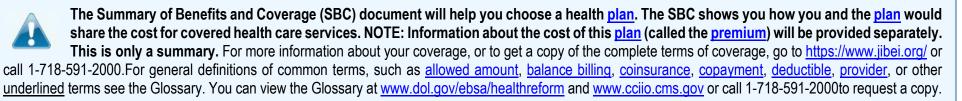

Sincerely,

Trustees of the Employees Security Fund of the Electrical Products Industries Health and Welfare Plan

"Grandfathered" Plan Status

The Employees Security Fund of the Electrical Products Industries Health and Welfare Plan believes this plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at the Joint Industry Board of the Electrical Industry at 718-591-2000. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.
