Important Information About Your Pension Benefit Under the Employees Security Fund of the Electrical Products Industries Pension Plan

Dear Participant:

This is to advise you that, as a participant in the Employees Security Fund of the Electrical Products Industries Pension Plan ("the Plan"), you are entitled to receive a benefit statement from the Plan that provides the following information:

1. The total vested pension benefits you have accrued under the Plan; and
2. The earliest date on which those benefits will become vested.

In order to obtain a benefit statement from the Plan, you must submit your request **in writing** to:

Employees Security Fund Pension Plan
158-11 Harry Van Arsdale Jr. Avenue
Flushing, NY 11365

Please also note it is important to notify the Plan of any change of name and/or address as incomplete demographic data could result in a delay of benefit.

You may refer to the Joint Industry Board website at <http://www.jibei.org> for a change of address form as well as information concerning the type of pensions that are available and required distributions.

If you have any questions concerning this notice, please contact the Pension Department at the Joint Industry Board of the Electrical Industry at (718) 591-2000, extension 1285.
