January 2026

Dear Participant:

The Trustees of the Dental Benefit Fund of the Electrical Industry approved the following changes to the dental benefit coverage effective October 1, 2023.

- Increase the dental benefit coverage allowances by 20% for implants and associated services, periodontal related services, and endodontic therapy.
- Provide coverage for previously excluded services which include:
 - General anesthesia;
 - Re-treatment of root canals;
 - Core build-up;
 - Guided tissue regeneration;
 - Cone beam CT scan;
 - Mouth guard

Your provider should continue to submit a pre-determination of benefits and always contact Anthem Blue Cross and Blue Shield or DDS, Inc. for verification of covered services.

Sincerely,
Joint Industry Board of the
Electrical Industry

Summary of Material Modifications

This notice is considered a Summary of Material Modifications under the Employee Retirement Income Security Act of 1974 (ERISA). You should keep this with your Summary Plan Description for the Dental Benefit Fund of the Electrical Industry. Please take the time to read this notice carefully and share it with your covered family members. This announcement contains only highlights of certain features of the Plan effective on or after October 1, 2023. Please note that the Trustees reserve the right to make additional changes to this Plan at any time.

This communication also serves as notice of material modifications to the Plan that impact the Summary Plan Description that you previously received.
