Anthem.com / Sydney mobile have for many years supported the display of pricing information for grouped procedures (e.g., Arthroscopic Knee Repair) based on historical claims.

We believe members will continue to want a full bundled cost associated with their full episode of care.

The screenshot shows the Anthem.com website interface. At the top, the Anthem logo is on the left, and navigation links for 'My Plans', 'Claims and Payments', 'Care', 'My Health Dashboard', and 'Support' are in the center. On the right, there are links for 'Español', 'Profile', and 'Log Out'. Below the navigation bar, there is a search bar with '97068' on the left and 'knee' on the right. A 'Search by address' button is located below the search bar. The main content area is divided into two columns. The left column contains a section titled 'Some members with similar health Procedures You May Be Considerin...', a 'Finding care for' section with a 'Change Member' button, and a 'Care Action Items' section with a message: 'You have steps to take that could opt your care.' Below this is a 'Search by Care Provider' section with a 'Primary Care' button. The right column displays search results for 'knee'. It has a 'Specialties' section with 'Orthopedics (Knee)'. Below that is a 'By Procedure' section with a 'Show More' link. The procedures listed are: 'Physician Office Visit (Knee Pain)', 'X-Ray, Knee (Three Views)', 'X-Ray, Knee (4+ Views)', 'X-Ray, Knee (One or Two Views)', and 'Knee Repair (Arthroscopic), Cartilage', which is highlighted with a red box. Below the procedures is a 'Provider Name' section with a 'View All' link. The providers listed are: 'JOSHUA L. KNEESHAW, P.T.' (2.56 miles away, 4606 Se Boardman Ave, Milwaukie, OR 97267, Clackamas County, OR), 'JOSHUA L. KNEESHAW, P.T.'
